Dear Dr. Reed:

We have reviewed the responses from the California State University System (CSU or University), dated March 30, 2001 and September 16, 2002. Your responses addressed complaints filed by Security on Campus, Inc. (SOC) and Women Escaping a Violent Environment (WEAVE), with the U.S. Department of Education, San Francisco Case Team (SFCT). Those complaints covered the University's administration of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act).

The San Francisco Case Team has reviewed California State University's responses and has determined that the University has satisfactorily addressed all issues of complaint received from SOC and WEAVE. Therefore, no further response is required by the University.

The University is advised that similar Clery Act violations found in future program reviews and/or audits may lead to an adverse administrative action.
